

Meet our champions!

Dominique Thompson – Service Manager, Busy Bees Cameron Grove

Hello, my name is Dominique and I am the Service Manager of Busy Bees at Cameron Grove. I am proud to say I have been a part of this incredible service since the service opening in November 2019 and have been a part of Busy Bees Australia since the acquisition of my previous employer in October 2018.

With close to 10 years' experience in the field of Early Childhood Education and Care I have been grateful to learn and grow in a variation of roles including Room Leader, Educational Leader and Assistant Service Manager.

One of my career highlights would be leading my current team of employees through Assessment and Rating this year in January 2021 using the NSW Self-Assessment Tool, and receiving a final rating of Meeting with accompanying Exceeding Themes. Recently I was also asked to be a guest a speaker at one of the Early Childhood Australia conferences in the Hunter Region to discuss my experiences using the NSW Self-Assessment Tool, and to offer my support to other Services in the region. Mentoring and supporting my team, as well as other services is a great passion of mine and is something I hope to continue to do in the future.
