## What is Mentoring and Coaching?

Our Mentoring and Coaching service focusses on assisting leaders and educators in the Early Childhood sector to achieve specific objectives and goals, tailored to individual needs, allowing for an open and evolving agenda.

The program is co-designed to support leaders and educators' professional development to assist in meeting and delivering best practice for their organisation. These sessions will support professional learning across a wide range of Early Childhood organisational requirements and business strategy.

## Who is Mentoring and Coaching for?

Mentoring and Coaching is for new and experienced leaders and educators, including,

- Nominated Supervisors
- Directors
- Responsible Persons
- Educational Leaders, and
- Committee / Board Members

## Focus Areas for Mentoring and Coaching?

Coaching and Mentoring compliments the CCSA webinars and training packages, offering one-on-one support to dive deeper into specific areas of need. It's designed to support leaders to deliver best practice across the areas of governance, human resources, operations management, finance, and the National Quality Framework.

Coaching and Mentoring sessions can target, but are not limited to, effective communication, policy review, compliance, assessment and rating, early years learning framework, and appraisals.
